Mat – for your consideration. I tried to keep it simple. Feel free to edit the brief meeting descriptors. I elected not to list all the participants but did flag the state agencies engaged at a high level a couple of times. If you want to add in the informal chat you (and Toni) had with Leah, that probably couldn't hurt. I think that was in early March?

**Initial informal communication with Oregon State Agencies regarding LUB GWMA Petition**

- February 5, 2020 - Oregon Health Authority (OHA)
- February 5, 2020 - Oregon Department of Agriculture (ODA)
- February 12, 2020 - Oregon Department of Environmental Quality (ODEQ)

**Formal Director level dialogue facilitated by Anthony Barber**

- March 18, 2020 - ODEQ (Justine Green), ODA (Stephanie Page), and OHA (Gabriella Goldfarb)

**Follow-up discussion with each state agency as requested during the Director level dialogue**

- April 14, 2020 - ODA (Stephanie Page)
- April 14, 2020 - OHA (Gabriella Goldfarb)
- April 15, 2020 - ODEQ (Justine Green)
